

Online Learning mini-course

What is the Online Learning course?

- ▶ A mini-course that will help you learn to do online school successfully

How do I get to Online Learning?

- ▶ 1. Log into your student account and click on Online Learning

The screenshot shows a student account dashboard with a sidebar on the left and a main content area. The sidebar includes links for 'Student Home', 'K-mail', 'My Account', 'Resources', and 'My Courses'. The main content area features a table of courses with columns for 'My Courses', 'Days Since Last Login', 'To Do', and 'Course Average'. A red arrow points to the 'ORNO10: Online Learning 09-10' course entry.

My Courses	Days Since Last Login	To Do	Course Average

ASSIGNMENTS

What do I do in Online Learning?

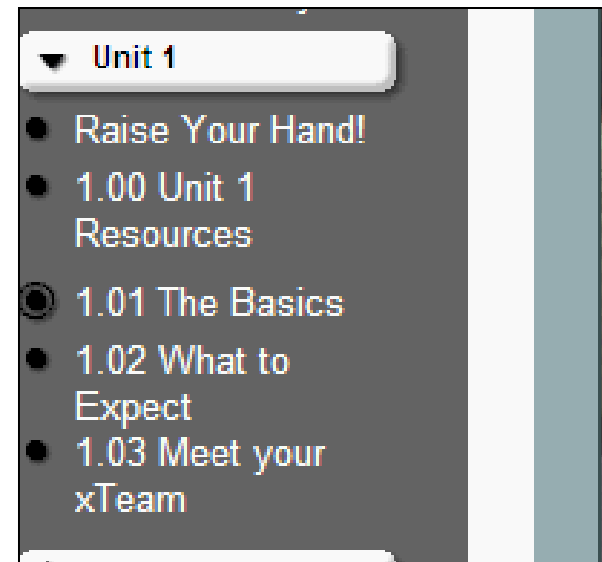

- ▶ Click on the arrow next to Unit 1 on the left side of the screen. This will expand Unit 1 and show you all the resources/content available.

Expanded view

What do I do in Online Learning?

- ▶ Raise Your Hand is where you can post a question if you have one about the course while you are working. Unit 1 Resources have documents you may want to download in the 'review and reference' area. You will actually start your reading with 1.01 The Basics.

What do I do in Online Learning?

- ▶ As you read through the content in 1.01 The Basics, you will use the arrow button (bottom right) to go to the next page. Most lessons will have student guides you can print out to take notes on, if desired.
 - ▶ There are also videos to watch. If you have trouble watching these, try logging in using Internet Explorer (instead of Mozilla Firefox).
